Introducing UnitedHealth Choice Plus Premier plans

Currently available for quoting in Texas and Oklahoma

UnitedHealthcare's new **Choice Plus Premier** plans are built with one thing in mind – helping people lead healthier lives.

By combining our Choice Plus health plans with our UnitedHealth Premium® designation program, we are pleased to announce **UnitedHealthcare Choice Plus Premier** plans, designed to maximize both quality and value for your clients and their employees.

Passing Quality and Cost-Savings on to your clients

By using UnitedHealth Premium designated specialists, your clients' employees save on their copay and more importantly, will benefit from care by providers who meet independent criteria for delivering the best in quality and cost-efficient care.

How does it work?

Illustrative example of consumer engagement from a UnitedHealth Premium designation plan design:

Office Visit	UnitedHealth Premium designated physician	NON-UnitedHealth Premium designated physician
Primary Care Physician (PCP)	\$25 Copay	\$25 Copay
Specialist	\$25 Copay	\$50 Copay

Terms, conditions, limitations and exclusions of the actual plan design will be governed by the Summary Plan Description or Certificate of Coverage.

For additional information, contact your UnitedHealthcare representative.

The UnitedHealth Premium program

The UnitedHealth Premium program evaluates doctors for quality and cost efficiency to help your employees choose a doctor with confidence. We use national evidence-based standards for quality and local market benchmarks for cost efficiency in our evaluation process. Doctors that meet both quality and cost-efficiency guidelines receive two stars, and those that meet quality receive one star.

Designated physicians:

- ▶ May have lower surgery repeat rates
- ▶ Follow evidence-based guidelines for care
- ▶ Are more likely to be aware of the latest research and clinical trials

The diagram illustrates the process of becoming a UnitedHealth Premium Two-Star Physician. It starts with two categories: Quality Care and Cost-Efficient Care. Quality Care is represented by one star and a plus sign, with text stating that UnitedHealthcare awards one star to physicians who meet national standards for quality care. Cost-Efficient Care is represented by one star and an equals sign, with text stating that UnitedHealthcare awards a second star to physicians who meet local area benchmarks for cost-efficient use of resources in delivering health care. The result is UnitedHealth Premium Two-Star Physicians, represented by two stars and a doctor icon, with text stating that two-star physicians have been recognized for providing quality and cost-efficient care to their patients. They meet or exceed nationally recognized guidelines, and they're likely to recommend the right tests and treatments for a variety of conditions.
