

Looking for ways to reduce medical costs? HealthNow MD is the ideal solution.

78% of all Emergency Room, Urgent Care, and Primary Care visits can be handled over the phone.

Wellness Council of America

How would you like the ability for your employees to access a Licensed Physician 24 hours a day, 7 days a week by phone, email, or webcam video? Convenient access to answers, peace of mind, and diagnosis. Saving time, money, and hassle.

Now you can offer your employees a solution that provides convenient, affordable, and effective access to healthcare for as little as \$15.00/per employee per month* with NO ADDITIONAL consultation fees.

healthier employees
better quality of work
fewer missed days
higher productivity
workplace wellbeing
