Stop and take another look

This quality health insurance plan is offered at an affordable price with significant cost savings that average about 50% lower than the Open Access Managed Choice \$2500 plan.

What plan enhancements are unique for the OAMC Basic Plans?

- **Office Visits:** The first 3 office visits are covered at a \$35 copayment with deductible waived, subsequent office visits are subject to deductible and coinsurance.
- **Routine Care:** Routine preventive care is covered 100% with deductible waived and does not apply to the first three visits.
- **Pharmacy:** Pharmacy is covered for generics only with a \$15 copayment. Members will be able to take advantage of the Aetna negotiated pharmacy discounts for non-generic prescriptions.
- **Coinsurance:** Once deductible is met, the plan coinsurance is 50%. Member coinsurance will accrue to the coinsurance limit.
